Hon. J. Lee Moore, former county attorney of Simpson County, and Senator-elect without opposition from his district this year, will address the voters of Calloway County at the court house Saturday afternoon, July 13, at 2 o'clock in the interest of Thos. S. Rhea for the Democratic nomination for Governor.

A Commendable 4th For Calloway

Calloway county probably had the quietest Fourth in many a year last Thursday. Although it seemed that the entire county was going some place for observing the National birthday and two celebrations within the bounds of the county were well attended yet there were no disorders reported, no fights, calamities, wrecks or anything to mar the pleasure of the day.

Sheriff Carl Kingins had deputies at Pine Bluff and was at Backusburg himself and to him went the task of making the only attempt at law enforcement. An attempt we say, because the party made his escape through the crowds after Kingins sought to arrest him for selling illegal whiskey. And this instance was from an out-of-county man according to his car which bore McCracken county license. Sheriff Kingins seized the car and 36 pints of whiskey.

Numberless visitors drove to Pine Bluff beginning at an early hour and continuing throughout the entire day. The events proved to be of much interest and the Legionnaires were kept busy throughout the day serving the public. No disorder, accident or trouble was reported from the Bluff celebration.

With the hundreds of people on the highways and at the two celebrations this fact is very commendable and is the first in many a Fourth in which the events in some way or other did not take some toll in injuries, painful accidents from car wrecks, or otherwise.

TVA Victories Won in House

WASHINGTON, July 10.—Four times in a row the House today voted smashing victories for the Administration on the Tennessee Valley bill.

Every vital change backed by the White House was written into the measure in a sharp reversal of the revolt which knocked holding company abolition out of the bill.

A final vote was held over until tomorrow, but there was little doubt that the measure would be returned to the Senate in a form acceptable to President Roosevelt.

60 RURAL SCHOOLS WILL OPEN MONDAY

Free Text Books for All Through Fifth Grade First Time in County's History.

All the one and two-room schools of Calloway county will open their 1935-36 sessions Monday morning, it is announced by County Superintendent M. O. Wraether. Sixty schools are included.

Mr. Wraether said that for the first time in the history of the county every child up to and including the fifth grade, whether rich or poor, would have a complete set of books at the state's expense. Some sixth grade texts also will be furnished.

It is requested that teachers or pupils not call at the superintendent's office for the books. They will be delivered to all school houses during the first week, Mr. Wraether said.

A teachers meeting will be at the court house Saturday morning at 10 o'clock to complete arrangements.

MURRAY COLLEGE FINANCES TO BE MOST EXCELLENT

Dr. Carr Tells Board That Institution Has Lived Within Budget.

PLANS DISCUSSED FOR THREE NEW BUILDINGS

President John W. Carr reported to the board of regents of Murray State Teachers College Monday that the school closed the fiscal year by living within the budget and had a balance. He described the school's financial condition as excellent, its books balancing with the records kept at Frankfort.

The board accepted two officials of the C. C. Camp at Columbus to do landscaping on the college campus, to be furnished by the Government at no charge to the college.

Plans were discussed for the three proposed buildings for the college. If the P. W. A. plans materialize a health building, a science hall and a home-management house will be among the applications for the college, calling for an expenditure of approximately \$500,000.

The board approved the program as outlined by the college for co-operation with the Federal and State educational schools that will be started the last five weeks of the college semester, July 15.

W. S. Swann, B. L. Trevathan, Bunk Gardner and T. H. Stokes were present at the meeting. James H. Richmond, superintendent of public instruction and chairman of the board, was not present.

J. GRAHAM DENHAM IN ANNOUNCEMENT

Young Business Man Enters Race for Magistrate of Swann Precinct.

This is the announcement of my candidacy for Magistrate of Swann precinct, which has been held by Mr. Bush Swann, merchant of Lynn Grove.

I am a young man, age 35, have traveled 15 years, representing the home office of the Commonwealth Life Insurance Company, and carried on livestock farm in Calloway county at same time.

I am a graduate of Bowling Green Business University and, all my work for 15 years in insurance business was organization work, which should be sufficient qualifications for same.

I am the grandson of Jim Squire Denham, who served in this precinct on Corn-Hog and son of Brink Denham, both of whom are deceased.

I was chairman of Calloway county Corn-Hog association for year of 1934 and assistant chairman of South Swann district on tobacco and chairman of Swann district on Corn-Hog and son of Brink Denham, both of whom are deceased.

I have fought for the benefit of the district and each man individually, by so doing I saved the Swann district better than \$7,000 in Corn-Hog payments, that they would not have received.

If elected to this office I pledge an honest administration and will not protect favorites in serving the duties of this trust.

I wish to call to attention of voters of this district, the importance and trust ability of this position. The entire construction of the precinct rests in their hands, same can be administered and appropriations well applied or they may at the same time convert their county into direful conditions.

I wish to state I am not politically obligated to any group of men or an individual and am not making any rash promises to any man for his support but am promising the district as a whole day of giving.

All of our services are simple, Scriptural and spiritual. You are invited to worship with us at all times.

I also wish to state as election time is drawing near and I have not made an active campaign for me to see each person individually but am taking this opportunity of sending my message to you, most candidates have a definite platform to stand on but the contents of this letter is my view points of same and not the following paragraph:

In the past the slogan of politicians, (as far as we farmers were concerned) were as follows: Promise them anything, everything, offer to give them the earth and fulfillment thereof, nobody much seems to have a limit on promising because they haven't any idea of delivering goods on them. Promising things has just become a political pastime, a good old American custom. A political platform for candidates is like a train platform for passengers, it is made to get in on not to ride on.

I assure you that every vote will be highly appreciated.

Yours truly,
J. Graham Denham

MEMBERS OF DARK FIRED HAVE MEET

Boone Hill, President, Makes Report of Tobacco Handled by Association.

The annual meeting of members of the Western Dark Fire Tobacco Growers' Association was held here today and President Boone Hill made a report that 2285 farmers signed Association contracts during the 1934-35 marketing season and that a great many non-member tenants took advantage of advances made by the Association on the 1934 crop.

His report further states that production of type 23 tobacco in the Western District of Kentucky and Tennessee in 1934 showed an increase of approximately 11 million pounds over the 1933 crop.

The pool has received for pricing since April 1932, 32,000,000 pounds, and now has 15,000,000 pounds in storage. Receipts for the past season amounted to more than 12,000,000 pounds.

The average advance per one hundred pounds paid growers on the four crops handled has increased from \$2.38 on the 1931 crop to \$2.87 for the 1934 crop.

Mr. Hill advises all tobacco growers to support the cooperative marketing and crop reduction programs as a solution to the serious problems of the farmer, caused by the loss of foreign markets.

Community Hospital Fund Dinner Is Marked Success Monday, 7 P. M.

When the cheers for Dr. William H. Mason and for Dr. Charles A. Haney had subsided at the dinner meeting, Monday night at Wells Hall, Murray State College, it was apparent that a new community hospital in Murray will soon be a reality. The construction of such a hospital has been discussed ever since spring, when fire took the old hospital, but the spontaneous expressions of co-operation and the unanimity of the opinion at the dinner left no doubt in the mind of anyone that the new hospital is just ahead. "Dr. Will" was applauded to the echo when he talked to his friends in the large dining room which was filled to the last seat; and he was assured of the support of the town and the county as he outlined his hopes and plans for the future.

That no time may be lost, five leading men of the community were nominated by the meeting to the executive committee, which will direct the campaign for pledges to build the new hospital, and these men will choose five others to complete the committee. Those chosen Monday night are as follows: Senator T. O. Turner, Warren Swann, Charles Bradley, Dr. Hugh McElrath.

The gathering at Wells Hall had the appearance of a Class Day or some other affair of the holiday and of expectation as the guests, men and women representing the entire community, took their seats at the dinner tables, the college string orchestra playing them in.

The head table was a long one and every one was enthusiastic over the outcome of the meeting. Rev. E. B. Motley, D. D., minister of the First Christian Church of Murray, prayed for the success of the undertaking.

Dr. Will Mason, when it came time for speeches, outlined the situation as regards the hospital. He said that immediately after the disastrous fire in February, when the good-will of the community was apparent by the whole-hearted help afforded him in caring for forty-two patients, driven out by the flames, he received telegrams and letters from far and near, urging him to rebuild on the ashes of the old hospital. The suggestion for a community hospital came from Dr. Williams, a leader in the American College of Surgeons, and a survey by Dr. Charles A. Haney, of New York and Boston, an expert on hospitals, resulted.

Dr. Haney then sketched the results of his survey. He told of the changes in the Mason Hospital from a proprietary institution to a charitable institution and he declared that the logical step will be the community hospital.

"As truly representing the community," continued Dr. Haney, "the present trustees have this idea in mind: When the new hospital is built, one new trustee will be appointed for every \$10,000 pledged."

After dinner and the speaking, the guests lingered to discuss the meeting and its purpose and large groups of interested people gathered around Dr. Mason and Dr. Haney, to wish them the best of success.

Mrs. B. B. Keys is rebuilding a home on her lot on West Main. Mr. and Mrs. Warren Angell have taken a house on West Olive. Mr. and Mrs. Franklin Ingles have moved to the new Clark residence on the Mayfield Road.

The 12-inch ball game between the crack Paducah team and the Murray boys was a good contest until Funkhouser dropped a triple near the foul line with the bases loaded in the fifth. Until then the visitors were leading 3 to 1, Murray got 9 hits off Larue Hurter, expert tosser for the visitors, while the Laundrymen got 14 blows off the combined efforts of Lloyd Waldrop, John Weatherly and Hafford Parker. Ruoff got 4 blows for the Paducahans. The final score was 14-5.

The smaller ball makes softball considerably more like baseball and was liked by local fans though it was decided to continue the 14-inch ball here this season. The local players were much handicapped by their first effort with the smaller pellet. Edmonds and Dick Hittles for Murray and Glenn Jeffrey collected a pair of singles. The Murray team was managed by Hall Hood, president of the league, and each man in uniform was given an opportunity to play. Fred Pogue, stellar Lynn Grove gardener, was the only man to play the entire contest for Murray. Games for the second half, until further notice, will start at 8 o'clock.

The girls' game was almost farcical. Mayfield finally winning 21 to 18 in a 5-inning fracas. The visitors scored in every inning but the first and the Murray ladies in every round but the 2nd and 4th, pushing over 11 in the 3rd. Mrs. Tom Rowlett and Miss Isabel Gilbert delivered the hurting duties for the home team. Misses Pollard and Beckett got three hits each while Miss Chrisman, Murray fielder, was the fastest runner and best thrower on the home squad.

VOTERS OF CALLOWAY COUNTY

KNOW THE TRUTH

ABOUT THE TAXES YOU PAY!!

Note the Benefits Our County Has Received and Learn How the Sales Tax Has Kept Schools Open, Paid Teachers' Salaries, Provided Relief for Our Worthy Aged and Unemployed Citizens and How This Tax Can Be Used to Wipe Out Our County's Present Indebtedness in a Few Short Years.

FACTS—Not Theories !

DEEDS—Not Bunk !

ACTION—Not Hot Air !

FARMERS! PROPERTY OWNERS!

Your Real Estate Taxes Have Been Reduced for State Purposes from 30 cents to 5 cents on the \$100. That reduction means that you now pay 500 per cent less tax on Real Estate than formerly. Your auto license tax has been reduced 40 per cent and your truck license taxes have been cut 31 per cent.

OPPORTUNITY FOR CALLOWAY COUNTY TO WIPE OUT ITS TOTAL INDEBTEDNESS

Taxpayers in our County are reminded that our present County indebtedness is \$272,000.00. Return from the Sales Tax, paid to Calloway County, by the State the first year is \$26,391.96. THIS FACT IS VITAL! It means that within a few short years the Sales Tax revenue received by our county will enable our people to free themselves from this indebtedness and eliminate it entirely, now being paid by our people. Repeal of the Sales Tax at this time would eliminate the possibility of our getting rid of our County's debt for many, many years.

VOTERS!

Don't be misled by BUNK—by untruthful statements that the Sales Tax can be repealed without hurting our County. If the Sales Tax is repealed Calloway County immediately loses \$26,391.96 each year. COUNTY DEBTS WILL REMAIN UNPAID.

Remember, too, that IF EVERY SINGLE STATE EMPLOYEE, PAID OUT OF DIRECT TAXATION, SHOULD BE REMOVED FROM OFFICE (leaving us without Government) in order to save hundreds of thousands of dollars each year, such savings even if possible, would in no wise meet the needs of State Government with the result that the State, INSTEAD OF PAYING MONEY TO OUR COUNTY would call upon our people to MAKE THESE REVENUE LOSSES GOOD. That would mean huge additional outlays by taxpayers of our county and place again upon our backs the heavy tax burden from which the Sales Tax has freed them. TAXES ARE AS SURE AS DEATH. Hence, it is to every taxpayer's advantage to keep taxes light, easy to pay and equitable to everybody. Don't fall into a trap—baited only to catch votes for candidates who will not tell you WHO AND WHAT THEY WILL TAX if their plan for Sales Tax Repeal should succeed.

Remember Please

The Sales Tax was passed for two years only. This was an EMERGENCY tax. This tax has made it possible for our schools to be kept open, our teachers paid, our unfortunates who were without employment to be fed and clothed and is paying off our \$300,000 road bond debt which the people of this county voted on themselves.

Foodstuffs and other necessities should be exempted from the sales tax.

Millions of dollars are being spent in the State of Kentucky for luxuries by people who own no real estate. These people should be required to pay a tax on these luxuries in order that real estate may not be further burdened with taxation.

The Sales Tax has kept the schools of Calloway County open with the result that our boys and girls have been accorded the free educational opportunity that is the birthright of every American Child.

IN ADDITION TO THE HELP RENDERED OUR SCHOOLS THE SALES TAX HAS ENABLED OUR STATE TO FEED, CLOTHE AND PROVIDE WARMTH FOR THOUSANDS OF OUR WORTHY AGED AND NEEDY UNEMPLOYED CITIZENS.

When real estate taxes were reduced last year State revenues were lowered to the point that the common school per capita was cut from \$6 to \$2.48. Through the personal efforts of Hon. Thomas S. Rhea, who vigorously fought this proposal, the school per capita, THROUGH THE MEDIUM OF THE SALES TAX, was increased to \$11.60.

NOTE the RESULTS in CALLOWAY COUNTY

With a \$2.48 per capita prevailing Calloway County would have received

\$12,028.00

If the Sales Tax had not been operating Education in Kentucky would have been dealt a serious blow. School terms would have been shortened; teachers underpaid and school plants everywhere would have suffered grievously because of the lack of necessary funds.

With a \$11.60 per capita Calloway County schools have been kept open and our county received

\$56,260.00

REPORTS PRESAGE VICTORY FOR RHEA

No Evasions or Subterfuges in Campaign of Russellville Aspirant.

LOUISVILLE, Ky., July 10.—Heard reports from county chairmen in all sections of Kentucky presage certain victory for Thomas S. Rhea, of Russellville, candidate for the Democratic gubernatorial nomination, it was announced this week by Earle C. Clements, Mr. Rhea's State campaign manager.

"There is no blinking the fact," Mr. Clements said, "that Mr. Rhea's position as a primary contender for the nomination, has been improved measurably in recent weeks among the rank and file of Democratic voters because of the unequivocal manner in which he met every issue thus far advanced in the campaign. His program is clear-cut and statesmanlike with appeal for every intelligent citizen of our Commonwealth. There was no evasion. No subterfuge. No promises made as a bait for votes."

"He pledged whole-hearted and unreserved support to the policies of President Roosevelt. He declared for old age pensions promising immediate action, upon his election as Governor. He promised economical administration of the State's affairs. He proposed modification of the Sales Tax so as to exempt food and necessities from the tax. He proposed measures to raise it and the continuation and extension of the State's good roads program were other proposals."

TO MAKE MAPS OF CITY AND COUNTY

Task Expected to Keep Soils Party Active Here During Coming Twelve Months.

A complete map of Calloway county and the city of Murray, showing everything but contour lines of elevations, but including slope percentages, is to be made of Calloway county. A party of three, headed by Howard William Higbee, Cornell graduate engineer and representative of the U. S. Department of Soils and Chemicals, heads a party of three engineers which came into Murray this week.

Mr. Higbee's assistants are William Reed and Mr. Wyatt of the Kentucky agricultural experiment station, Lexington.

A detailed soil survey will be made, in which the party will collaborate with the Tennessee Valley Authority in exchanging information and data. Mr. Higbee said that the first job would be to make a detailed map of the city of Murray on the scale of one inch to the 1,000 feet. A year will be required to complete the survey and maps.

3 New Grapplers Here Friday Night

Three new grapplers are included in the mat card for Friday night Manager Gale Stinson states. Besides the three new faces, Roy Welch will return meeting Bobby Matthews in the main go. Welch has probably been on the mat more than any wrestler and has been a favorite with fans. Matthews, of Houston, Texas, rates highly and a close match is expected with Welch.

In the secondary match Ace Freeman, Hungarian grappler of New York City, will meet Red Lindsey, Baltimore. Both are unknown to Murray fans but Manager Stinson states that their introductions to him place them above the average mat attraction for Murray.

A Complete Analysis

We Say Ice Refrigeration

Is Cheapest --- Safest --- And Best!

ICE REFRIGERATION is the only one that gives you 100 per cent refrigeration. Your mechanical refrigerator can give you only 40 per cent.

We back up our economy claim with the proposition that we will give you a written contract that we can give you ice refrigeration cheaper than you can have mechanical refrigeration. THE COMPANY GUARANTEES THIS.

THE AIR CIRCULATION SYSTEM of ice refrigeration and the absorbing qualities of the water from melting ice will not be denied by your better judgment to be a protection to your foods. It washes the air in which your food remains.

Where does the stagnant taste and odor of the water from your ice refrigerator come? Answer: The air inside. Where does this go in your mechanical refrigerator? Answer: It remains inside to contaminate your foods.

Across the River

This is a very busy season for one to waste the cooler hours of the morning in writing but even if I have to cook dinner in the heat, perhaps some tired reader will relax in the shade to read what I have written.

I have a new sister from Kentucky since Lloyd Spiceland and Lucile Harris married, so Tennessee will not be a lonely place anymore.

Mrs. Sally Cathy died at the home of her daughter, Mrs. Manuel Spiceland, last Saturday.

Mr. and Mrs. Lloyd Spiceland, Miss Elaine Ahart, Mr. and Mrs.

Raymond B. Kirks and Misses Helen Ruth and Geneva Spiceland were visitors at their respective homes and relatives' homes the past week end. Mrs. Kirks is staying a few weeks.

We're still having sufficient rain thus far, so gardens have been fine, and the corn crop is not at all discouraging.

Mrs. Laura Sykes visited her mother, Mrs. Patterson of Concord last week.

It's about to rain again for us today. Some people grumble every time a cloud arises, and rain does fall very inopportune sometimes, but I am very much at peace with the world when I am all alone and the sky becomes dark with threatening clouds and thunder rumbles ominously overhead. I fear lightning tho. Mr. Nolan had six cows killed by it recently as they lay under a tree.

Clarence Vincent's mother is dangerously ill at this writing. Douglas Shoemaker passed by Friday morning to deliver the disappointing news that he couldn't make his promised visit. If I knew who was to blame for that, I'd make them do some tall explaining yes, sir!

Many participated in the Fourth of July celebration at Dover.

Mrs. Mable Spiceland won a box of chocolates in a chicken-calling contest. Some little boy managed to capture the prize of two dollar bills placed at the top of a tall, greased pole. And isn't it strange that no one would try for the prize in the husband-calling contest. Maybe the ladies didn't want the public to know what they called their husbands.

I'm a booster for Pine Bluff and we celebrated by going there. I enjoyed meeting old friends and acquaintances, and even if I had not had the privilege of participating in the good, humored bawler, I

could have thoroughly enjoyed myself by obtaining a high perch and looking on. A moving picture show would not have been so interesting for these scenes were more varied. Mary Olive Mitchell flashed by, excited by her first ride in a speed boat. Johnnie Kelly Jones moved through the crowd accepting wishes for a long and happy married life. Masters Dale and Alfred Cunningham raced around, flushed and happy over their first boxing match in which their mother had not interfered. Anxious mothers searched for lost offspring while other mothers, namely Mrs. Laverne Witty or Mrs. Flossie Byerly gazed adoringly upon their perfect babes who never gave them any trouble.

Even Mr. and Mrs. B. Elkins and daughters, Luna and Ella, seemed to be heartily enjoying being in the crowd.

But there's one picture which is a try in the ointment to those who derive no pleasure in seeing others suffer pain or humiliation, and that's the boxing and wrestling matches. That saved too much of historic days of gladiators or bull fights. So by the next Fourth I hope the program committee, if there is one, can furnish amusements, quartets, readings, or something a little more elevating and a lot less painful—not for my benefit, but for the women in general. Now rave, men!

Well, canning time is here again, and unless I have a sudden inspiration, I'm not going to bother you again soon, for since the big dinners at Crockett's Creek and Poplar Spring are over, until revivals and schools begin, I can't foresee much news. But if any of you want me to continue my writing career, just send me a maid of all work and I'll gladly oblige you.—The Chatterbox.

Obituary

Charles Wilson Webb was born March 27, 1877, departed this life on July 3, 1935, making his stay on earth only 8 years, 3 months, and 6 days.

Little Charles was a kind and gentle child and was loved by every one who knew him. He was a bright ray of sunshine in his home just a little flower that budded here on earth to blossom in Heaven. He suffered so patiently, but when we meet him again his little body will not be tortured with pain, but he will be radiant with happiness, basking in the blissful sunshine of a never dying Savior's love.

Oh! What an inspiration to his loved ones to ever strive to live so as to meet him there.

Our hearts are made to ache with sympathy for this dear family, but to them we would say "Weep not, for little Charles is so sweetly sleeping in Jesus' arms."

He leaves to mourn his death his mother, Ina May, his grandparents, Ollie and Lizzie Bazzell, with whom he made his home; three uncles, Cecil, Hollis, and Clavis Bazzell; and one aunt, Era Duncan, and her husband Toy and their child Brenda Fay.

Funeral services were held at Coldwater Church of Christ by

Rev. B. R. Winchester Popular Baptist Pastor

In the spring of 1932 the Rev. B. R. Winchester was called to the pastorate of the East Chester Baptist Church and from that date to the present the congregation has gone forward along several lines until the East Chester church is regarded as one of the most active Baptist congregations in the city.

Rev. Mr. Winchester was born and reared in Calloway county, Kentucky, about five miles east of Murray. He received his elementary education in the public schools of Calloway county and his high school training at the Murray High School, graduating there in the class of 1926.

Following his high school work, Rev. Winchester accepted a teaching position, and for five terms taught in the schools of Calloway county, during which time he also finished two years of college work at Murray State Teachers College. He came to Jackson and entered Union University in the spring of 1930, graduating from Union in the spring of 1933 with the B. S. degree.

He served churches in Hardeman and McNairy counties for a short while and was then called to the East Chester Baptist Church. The church records show that during his pastorate some 150 additions have been made to the church and an indebtedness of \$1,469 on the church property has been paid and a number of improvements made. During the recent revival there were 21 additions to the church, nine by letter from other churches and 12 by baptism—Jackson (Tenn.) Sun.

Candidate for

State Treasurer

Subject to the Action of the Democratic Primary August 3, 1935

To the Democratic Voters of Kentucky!

Ladies and Gentlemen:

I sincerely solicit your vote and influence to help me secure the nomination for that important office of State Treasurer.

As a business man, banker and an accountant, I feel I am qualified for this position, and if elected will give sincere and honest service, toward a business-like administration of the affairs of the office.

As a voter, I want you to give my candidacy serious consideration, and all favors extended me in this campaign will be sincerely appreciated.

Very truly yours,

R. Walker Wilson

Rhea's speech is to be broadcast over radio station WHAS, Louisville, one of the largest audiences of the campaign will be provided. His address will include a discussion of issues and clear statement of his platform—the policies he advocates in the gubernatorial race.

Dr. and Mrs. Hurst, returned missionaries from Korea, supplied for the 11 o'clock church services at this place Sunday. Mrs. Hurst, formerly Miss Cordelia Erwin, spoke of the importance and duty of voters to use their votes against liquor. Dr. Hurst told of trials and achievements in Korea. The hospital with which he was connected has graduated more than 300 doctors in Korea.

Dr. and Mrs. Hurst were week and visitors with their cousin, Jim Erwin, and family. They were accompanied by their youngest son.

Visitors who heard Mr. and Mrs. Hurst were: Mr. and Mrs. Gargus and family of near Wiswell, Mrs. Norman of Detroit, Mr. and Mrs. Hudson Stephen, and daughter, Mrs. Horton and little son of Fulton. Mrs. L. Winsor, Murray, Mr. and Mrs. Hoyt Craig and son Robert, Mason's Chapel, and several from Hazel, Mr. and Mrs. Holmes Ellis and Mrs. Noles and son of Paducah. Mrs. Noles, who attends Broadway Methodist Church, Paducah, was a visitor in the ladies adult class, spoke very encouragingly of cottage prayer meetings. Prayer meeting is needed at this church and in different sections of this territory of Pleasant Grove church. There are some persons in most of these localities who

have no way to go to services at the church.

Master Joe Richard Vance of Crossland, spent part of last week with his aunt, Mrs. Sylvia Dell Cooper. Richard fell from a horse at his home July 4 and received a broken arm. He is a son of Mr. and Mrs. Pern Nance.

Master L. D. Warren of near Wiswell, spent a few days last week with his aunt, Mrs. Clarence Erwin.

Darrell Page of Detroit, is spending his vacation with his sister, Mrs. Gilbert Grogan.

Joe Odle and sister, Miss Mildred of Camden, Tenn., are spending their vacation with their aunt, Mrs. L. Ellis, and family.

Miss Marjory Nance, who was a week end visitor with Miss Eula Gupton, returned to her home in Paris, Tenn., Monday.

Will Duke Erwin, who has been under the care of a physician for several weeks, is better.

Mrs. Sis James is reported to be ill.

Prayer meeting will be held at the home of Mr. and Mrs. Odell Orr's next Saturday night. Mrs. Charlton will be the leader.

Charles W. Webb, 8-year-old son of Mrs. Ina May Webb and grandson of Mr. and Mrs. Gule Bazel of Coldwater, died of blood poison. Funeral services were conducted by L. H. Pogue at the Coldwater Church of Christ. It was said indeed to witness such a scene.

Miss Ruth Overbey and a woman of Mayfield, had a collision of autos, at the narrow bridge near Virgil Cochran's. The girl from Mayfield called a "wrecker" to get her car out of the deep ditch.

About 17,000 people were at the annual Backusburg reunion. Bert Smith, who is now connected with the Bowling Green college, and "Happy" Chandler delivered very eloquent speeches over the double set of radio amplifiers and their voices could be heard 400 yards away. A great reunion. I saw Burgess Parker, Carl King and Ira Fox. Of course, Uncle Dave Macdon (clown) and Sarah and Sallie performed on the stage. Only one colored man there, the famous harp player, Ole "Eagle" has never enjoyed himself so much since the day that he was "hatched."

Our last rain was June 20, now we cried for it to "boost" his candidate.

The Ledger & Times does not allow a "cor" to "boost" his candidate.

I couldn't if I would, and I wouldn't if I could; be damned if I do and be damned if I don't. They (?) played pussy-foot at Washington and turned down "old folks" pension and bonus bill. Patton said that two highest Legion officials sold out to Wallstreet.

Yes, Uncle Benedict Arnold and old grand-pap Judas Iscariot were the two ugly nags. Molly was playing roughly with her kitten and got scratched. She said, "you deep mean kitten." Her mother made her wash out her mouth with soap suds. The next day

Molly got scratched again. She said, "you are the very same cat you were yesterday."—Eagle

NOTICE! Dog License Must Be Paid

Avoid any trouble or embarrassment on your part by a prompt purchasing of dog license.

State officials are giving out lashing attacks against sheriffs for their failure in some counties. State field men are pushing hard for the enforcement of the dog laws and we sheriffs of the state must enforce this law.

ANY PERSON OWNING AN UNLICENSED DOG is subject to indictment by the Circuit Court grand jury.

Circuit judges in other counties are instructing the grand juries at the opening of circuit court to investigate and take steps to enforce the dog laws.

If we as sheriffs fail to collect this tax we are subject to indictment, and to protect our own interest and office we are going to collect this tax.

In addition to this angle of the dog situation, it should be enforced as a protection for our citizenry and livestock. Rabies continue to cause much worry, fear, and loss of livestock as a result of the stray and uncared for dog.

If you should have a stray dog at your home or one you do not want to license, KILL IT.

To save additional costs on our part and YOURS come in AT ONCE and purchase these tags.

THANKING YOU,

Carl B. Kingins

SOTHEHN, RAYMOND NEW ROMANTIC TEAM IN "HOORAY FOR LOVE"

Gene Raymond and Ann Sothorn, teamed as sweethearts in RKO Radio's "Hooray for Love," bring a new type of glamour to the screen. More than anything else they typify youth, with its hopes, ideals and ambitions, and their delightful love scenes are said to have high romantic beauty.

As a college boy who aspires to be a Broadway producer, Raymond appears in a role for which he is ideally suited. The part calls for good looks, dramatic ability and a singing voice. In Raymond are combined all these qualities, topped with a high measure of glamour. During his recent personal appearance tour, the women turned out en masse to the theatres where he was playing.

Ann Sothorn has a dainty loveliness that is alluring to men and women alike. She is an actress of unusual ability and possessed of a fine voice. In her role of a young actress, she has full scope for all her talents.

"Hooray for Love" is a delightful comedy drama highlighted with a musical revue, which includes Maria Gambarelli, Pert Kelton, Bill Robinson and Jini LeGon. See it Sunday and Monday at the Capitol Theatre.

CAMP MURRAY CHATTERS

By Wm. H. Martin, Jr.

Although quite a few members were on week-end passes a nice representative group attended camp church service last Sunday morning. The Rev. O. A. Marrs was in charge of the service and held the attention of his audience in his interesting and entertaining way.

Lieutenants Smith and Biemer were recently on duty at Hopkinsville with the processing team which examined over a hundred men for enrollment in the CCC.

Twenty-five of this group were assigned to this camp and reported for duty Monday. Fourteen local applicants presented themselves for examination and enrollment at the camp Wednesday morning.

The Cub and softball team are working to get in shape for the week-end schedule. The Cubs expect to meet the Hooks team of Paducah there Sunday afternoon and probably will play another independent game here Saturday afternoon as the first half of the season league schedule has been completed. The softball team meets Cadiz here Saturday afternoon.

The group studying local archae-

ology under Fred Phillips has been going strong for the past two weeks. A field trip to the Backus farm near Concord also resulted in uncovering some interesting articles and remains of the aborigines of the locality.

Major J. C. Linsby and Capt. Chas. H. Metzger, sector commander, were visitors at the post recently.

Asst. Leader Ray Kuykendall was recently discharged from the Houston-Keys Clinic after recovering from mumps.

Rockcastle county poultrymen will have approximately 4,000 capons this year, and caponizing demonstrations have been held throughout the county.
